## NJDEP SRP Files

Updated: May 8, 2014

As of 2011 IAL provides their NJDEP HAZSITE SRP files in the TXT format.

For any jobs done prior to 2011 (2009 and 2010), these HAZSITE SRP files are in the DBF format. These files can be converted using the following link on NJDEP's website:

<http://www.nj.gov/dep/srp/hazsite/software/converter/index.html>

Please keep in mind that HAZSITE SRPs did not always require all the fields they do now, and that IAL provided the data that was needed at that time. When files are run through the NJDEP EDSA checker, warnings and/or errors may show for missing fields.
